*Breaks down to \$6.20 per 500ml

Case of 4 - \$168.80

*\$15 SAVINGS. Paying only \$42.20 each

*Breaks down to \$5.75 per 500ml

Refillable 500ml bottles \$4.95 We can also include a complimentary label

Jug Pumps \$7.95 Screws on to the 3.7L jug and pumps 1 ounce at a time for refilling purposes

Wall Mount Dispenser \$45.95

Holds 46 ounces (1360ml) of product allowing you to refill less often than standard sizes. Pumps out the perfect amount each time!

-Our sanitizer jugs are 3.7 litres so they can refill 2.7 of these wall-mounted dispensers at a time

-when you are buying our sanitizer at the case price of \$42.20 you are refilling each dispenser at a cost of only \$15

To refill the dispenser, you insert a universal key into the slot at the back of the dispenser and the entire lid comes off then you refill.

To install, the dispenser comes with double sided mounting adhesive or you can mount using screws and anchors, not included.
